**DECLARATION OF DIANNE M. NAST IN SUPPORT OF CO-LEAD CLASS  
COUNSEL'S PETITION FOR AN AWARD OF ATTORNEY'S FEES AND  
REIMBURSEMENT OF COSTS AND EXPENSES**

Dianne M. Nast declares as follows pursuant to 28 U.S.C. § 1746:

1. I am the founder of the law firm of NastLaw LLC. I submit this declaration in support of Co-Lead Class Counsel's Petition for an Award of Attorney's Fees and Reimbursement of Costs and Expenses in connection with and for services rendered and expenses incurred for the common benefit of the Settlement Class in the above-captioned multidistrict litigation ("Action") from the inception of the litigation through July 15, 2016, as well as for the payment of expenses incurred therewith. I have personal knowledge of the

matters set forth in this declaration and, if called upon, I could and would testify competently thereto.

2. In the beginning of 2012 when this case was filed, the predecessor law firm, RodaNast, P.C., employed the attorneys who worked on this case. At the end of 2012, NastLaw LLC was formed, and all of the RodaNast, P.C. attorneys who worked on this case are and have been employed by NastLaw LLC since that time. RodaNast, P.C. is no longer operating. All time and expenses reported in this Declaration include NastLaw LLC and RodaNast, P.C. time, and are described as time and expenses of “this firm.”

3. As a member of the Plaintiffs’ Steering Committee (“PSC”) and Court-appointed Class Counsel, this firm has been involved in many aspects of this litigation. During the course of this litigation, this firm has been involved in the following types of activities, as directed by Co-Lead Counsel:

- Negotiation of settlement terms, including editing and commenting on the Settlement Agreement and attendance at multiple settlement meetings with Defendants;
- Served as Class Counsel for Subclass 2;
- Attendance at court status conferences, oral arguments and hearings at both the District Court and Appellate Court levels, and participation in preparation and practice sessions leading up to those hearings;

- Negotiation of additional settlement terms in light of the District Court's concerns about the initial Settlement Agreement;
- Researching and editing the Motion for Final Approval, including legal research responding to the concerns of objectors;
- Editing the Rule 23(f) appeal filed after preliminary approval was granted;
- Researching and editing the appellate briefs filed with the Third Circuit after various objectors appealed the grant of final approval to the settlement;
- Researching and editing the opposition to the petitions for certiorari filed by various objectors;
- Researched and drafted correspondence addressing the death of class representative Kevin Turner and its impact on the appellate proceedings; and
- Responded to numerous questions and concerns of class members about the settlement, the status of the court proceedings and the pendency of the various appeals.

4. The schedule attached hereto as Exhibit 1 is a detailed summary indicating the amount of common benefit time spent by the attorneys and professional support staff of this firm who were involved in, and billed fifty or more hours to, this Action, and the lodestar calculation for those individuals based on this firm's current billing rates. For personnel who are no longer employed by this firm, the lodestar calculation is based on the billing rates of such personnel in their final year of employment by this firm. The schedule was prepared from contemporaneous daily time records regularly prepared and maintained by this firm. Time expended in preparing this application for attorney's fees and expenses has been excluded.

5. The hourly rates for the attorneys and professional support staff of this firm included in Exhibit 1 are the same as the regular rates charged for their services in other contingent matters and have been accepted by other federal courts in other class action cases prosecuted by this firm.

6. The total number of hours expended on the common benefit of this Action by this firm during the time period is 1,211.75 hours. The total lodestar for this firm for those hours is \$765,060.25, consisting of \$721,884.00 for attorneys' time and \$43,176.25 for professional support staff time.

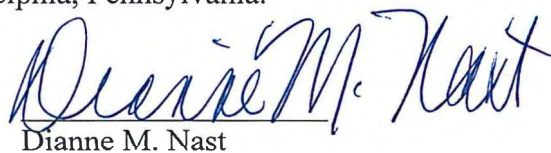

7. This firm's lodestar figures are based solely upon this firm's billing rates, which rates do not include charges for expense items. Expense items are billed separately and such charges are not duplicated in this firm's billing rates.

8. As detailed in Exhibit 2 hereto, this firm is seeking reimbursement of a total of \$117,138.64 in common benefit expenses incurred in connection with the prosecution of this Action. These expenses are reflected on the books and records of this firm. These books and records are prepared from expense vouchers, check records, and other source material, and are an accurate record of the expenses incurred.

9. With respect to the standing of this firm to share in an award of fees, costs, and expenses, attached hereto as Exhibit 3 is a biography of this firm, including the attorneys in my firm who were principally involved in this Action.

I declare under penalty of perjury that the foregoing is true and correct.
